(2) Any authority in a State ¹⁷[***] which holds an examination in pharmacy may apply to the Central Council for approval of the examination, and the Central Council, if satisfied, after such enquiry as it thinks fit to make, that the said examination is in conformity with the Education Regulations, shall declare the said examination to be an approved examination for the purpose of qualifying for registration as a pharmacist under this Act.

Copy of the application form is annexed herewith as ANNEXURE - 1.

5. That it is relevant to note that the consent for affiliation from the State Board of Pharmacy was pending approval from the competent authority. 7. That the PCI issued a letter directing the DMET authorities to issue affiliation and consent by 16/08/2024.

Copy of the letter dated 08/08/2024 is hereby annexed herewith as ANNEXURE-4.

8. That pursuant to such inspection, provisional consent of affiliation was issued to Petitioner vide Letter No. 13791/OSBP

Date 03/10/2024, and as such the same shall be valid for 1 year only.

Copy of Letter No. 13791/OSBP Date 03/10/2024 is annexed herewith as ANNEXURE - 5.

9. That immediately thereafter, Petitioner submitted the consent for affiliation to the Opp. Party No.2 vide Email and letter dated 05/10/2024 requesting for inspection of the premise and further enquiry for approval of the course. However, no response was received in that regard.

Copy of the letter dated 05/10/2024 is annexed herewith as ANNEXURE - 6.

10. That while things stood thus while checking the portal of the Pharmacy Council of India, Petitioner came to know that his application has been rejected on 12/10/2024 for want of Consent of Examining Authority, without

providing any opportunity of hearing whatsoever.

Copy of the Rejection Letter dated 12/10/2024 is annexed herewith as ANNEXURE - 7.

11. That furthermore, the Pharmacy Council of India, had time and again extended the time for compliance of statutory documents in view of the Order dated 10/04/2024 passed by the Hon'ble Supreme Court in Miscellaneous Application No.704 of 2024 in C.A.No.9048 of 2012. In pursuance of the said judgment, the time for compliance of statutory documents was extended upto 30/11/2024.

12. That the action of the authorities has been arbitrary and in complete violation of the Pharmacy Act, 1948.

B. MISHRA
NOTARY, CUTTACK

13. That the Opp. Party without conducting any inspection nor providing any opportunity of hearing, have rejected the application of Petitioner unequivocally, therefore the same is liable to be set aside.

14. That the Act, 1948, envisions the power of the examining authority to conduct an enquiry before dispensing of with any application, either for course approval or examination approval or both. It is a fact that Petitioner had submitted statutory documents for approval of the application and since the consent of affiliation of examining authority and NOC was pending approval, Petitioner had duly submitted an undertaking to that effect. Immediately, upon the receipt of the statutory documents, Petitioner had submitted the same before Opp. Party No.2 for early requisition and inspection of the Institute.

B. MISHRA
NOTARY, CUTTACK
ODISHA

However, the Opp. Party authorities without any prior intimation, or any notice of hearing to the Petitioner, had rejected the application of Petitioner, disregarding the due process of law.

15. That Petitioner in due compliance with the aforesaid time period, had submitted the necessary documents i.e. consent for affiliation from examining authority, however prior to any consideration on the requisite documents, Opp. Party No.2 had rejected his application, which is *de hors* in the eyes of law.

16. That it is not only the institute but also the several students, whose career have been put on stake owing to this rejection, and the same shall cause prejudice to them.

17. That it is a settled principle of law that when the Act mandates to do a particular thing in

a particular manner it has to be done in that manner or no other manner at all.

18. That the issuance of an affiliation certificate can begin, only after the NOC is issued by the DMET authorities. In this case, the DMET authorities issued the NOC on 11/07/2024, and the petitioner college promptly submitted its application for affiliation. Following this, the Odisha State Board of Pharmacy conducted an inspection. The inspection took place on the scheduled date, and the affiliation letter was subsequently issued on 03/10/2024. Therefore, the delay in providing the affiliation document was not caused by the petitioner college, as the timeline was beyond its control.

19. That, since the matter involves the question of the career of innocent students finding no other alternative equally efficacious remedy

the petitioner has approached this Hon'ble
Court for relief. Hence the Prayer:

ADDITIONAL AFFIDAVIT FILED BY THE PETITIONER

I, Smt. Mamata Panigrahi, aged about 44 years, W/o Sanjay Kumar Panigrahi, At./P.O. Talasahi NAC, Dist. Malkangiri, represented through its Chairman of Satyanarayan College of Pharmacy, At./P.O. Sambayguda, Dist. Malkangiri, do hereby solemnly affirm and state as follows:

1. That, I am the Chairman of the petitioner college and am competent to swear this affidavit.
2. That, the Petitioner college assailing the action of the Opp. Party No.2 towards rejection of the application of Petitioner for approval for the academic year 2024 -2025 without conducting any inspection and providing an opportunity for a hearing thereafter.

3. That during the pendency of the writ application, the petitioner became aware of a college namely Care Institute of Medical Science & Technology, where the affiliation by the Odisha State Board of Pharmacy was issued after the approval by Opp. Party No.2 for the academic session 2024-25.

Copy of the affiliation for academic session 2024-25 and approval by Opp. Party No.2 for the academic session 2024-25 is hereby annexed herewith as ANNEXURE-9.

4. That there are also colleges where renewal of NOC is pending before the DMET authorities, but approval has been extended for the academic session 2024-25.

Copy of the rejection list of NOC and approval orders are annexed herewith as ANNEXURE-10 Series.

5. That is when the statute mandates that affiliation from the concerned state authority is mandatory. The Opp.

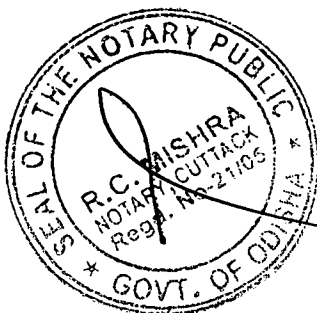

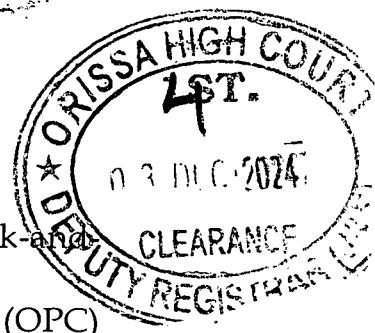

Party No.2 has strayed away from its guidelines and has issued approval for the academic session 2024-25 to the colleges who don't have affiliation from the concerned Board.

6. That at this juxtaposition the present petitioner college had sought an extension of time to provide the affiliation, as it was not in his own hands to offer the same, however, after giving the Opp. Party No. 2 has not considered the same. On the similar footing the Hon'ble Supreme Court of India has considered the case of approval where the State authorities has delayed in providing NOC and affiliation. The Hon'ble Supreme Court of India after considering the facts has directed the PCI to conduct an inspection.

Copy of the order dated 14/11/2024 passed in Writ Petition (Civil) No. 737 of 2024 is hereby annexed herewith as ANNEXURE-11.

7. That the Opp. Party No. 2 has adopted a pick-and-choose method as the Odisha Pharmacy Council (OPC) is a statutory body constituted by the Government of Odisha under the Pharmacy Act of 1948, consisting of six members elected by registered pharmacists among themselves, five members nominated by the Government of Odisha, three ex-official members, and one member elected by the Odisha Pharmacy Council as per Section 19 of the Pharmacy Act, 1948. The petitioner institute registered on the PCI portal, and after submission of the statutory documents and after compliance with the same, the petitioner institute was permitted to progress towards the standard inspection format submission of Rupees 3,54,000/-. After the SIF, a physical inspection would be conducted, but in the instant case, a physical inspection has not been conducted, and the application for approval is rejected.

Sub: Grant of NOC for the session 2024-25 infavour of D.Ph Course Jharsuguda Pharmacy College

Ref: PCI approval for the session 2024-25

Consent of Examining Authority OSBP

Sir,

This is to bring your kind notice that PCI has been pleased to accord approval for conduct of D.Ph Course for the session 2024-25. Also We have one time consent letter from Orissa State Board of Pharmacy, Bhubaneswar regarding conduct of Exam against D.Ph Course.

Further to your kind knowledge NOC has been received from Govt of Odisha, H& FW Dept from 2019-20 to 2021-22 and NOC for 2022-23 is pending though applied in portal and paid fee of 20000/- Similarly due to lack of scope in portal renewal NOC for 2023-24 and 2024-25 could not be made but respective years fee have been paid through SBI Collect.

The State Govt has inspected on 4.10.24 regarding issue of NOC for 2025-26. But PCI has accorded approval for both 2023-24 and 2024-25 for D.Ph course with 60 intake capacity.

As per PCI regulations Consent of Affiliation from Examining authority as well as PCI approval are mandatory for grant of admission. We have both these documents for getting admission into the session 2024-25. Now the admission process is going on for the session 2024-25 and the name of our Institution Jharsuguda Pharmacy College is not listed there.

In view of above facts and circumstances you are requested to grant NOC for the session 2024-25 as the Institution is inspected on 4th OCT 2024 and allow admission by enlisting the College name in the admission portal otherwise our long cherished efforts made since 2019-20 will be in vein and the Institution will incur terrible financial crisis to survive further.

Regards

Sincerely Yours

Director
